Business mogul **Richard Brandon** was the keynote speaker at the **2nd Annual Ocean Gala presented by MaiTai Global and OceanElders** in San Francisco over the weekend.

MaiTai Global and OceanElders have joined together to serve as a catalyst in the conservation and protection of the ocean and its wildlife.

The billionaire who Founded Virgin Group back in 1970 starting in the music business, turned Virgin into one of the world's most recognized and respected brands, expanding into air travel, mobile, financial services, rail, health & wellness, radio, hotels and resorts, space travel and renewable energy.

The sold-out event had a musical performance by legendary **Jackson Brown**.
